### **Beaufort Scale of Wind Force**

| Beaufort<br>Number of<br>Force | Wind<br>Speed<br>(knots) | Description     | Deep Sea Criterion  | Effects on Fishing Smack   |
|--------------------------------|--------------------------|-----------------|---|--|
| 0                              | 0 - I                    | Calm            | Sea mirror smooth.  | Fishing smack becalmed.  |
| I                              | I - 3                    | Light air       | Ripples with appearance of scales; no foam crests.  | Fishing smack just has steerage way.                                 |
| 2                              | 4 - 6                    | Light breeze    | Small wavelets still short but more pronounced. Crests glassy and do not break.   | Wind fills the sails of smacks which then travel about 1 to 2 knots. |
| 3                              | 7 <b>-</b> IO            | Gentle breeze   | Large wavelets; crests begin to break. Scattered whitecaps; foam is glassy.   | Smacks begin to careen and travel about 3 to 4 knots.                |
| 4                              | 11 - 16                  | Moderate breeze | Small waves becoming longer; more frequent white horses.  | Good working breeze, smacks carry all canvas with good list.         |
| 5                              | 17 - 21                  | Fresh breeze    | Moderate waves, taking a more pronounced long form.  Many white horses are formed. Chance of some spray.  | Smacks shorten sail.   |
| 6                              | 22 - 27                  | Strong breeze   | Large waves begin to form; the white foam crests are more extensive everywhere. Probably some spray.  | Smacks have doubled reef in mainsail; care required when fishing.    |
| 7                              | 28 - 33                  | Near gale       | Sea heaps up and white foam from breaking waves begins to be blown in streaks along the direction of the wind.  | Smacks remain in harbour and those at sea heave to.                  |
| 8                              | 34 - 40                  | Gale            | Moderately high waves of greater length; edges of crests begin to break into spindrift. The foam is blown in well-marked streaks along the direction of the wind.   | All smacks make for harbour, if near.                                |
| 9                              | 41 - 47                  | Strong gale     | High waves; sea begins to roll. Dense streaks of foam along the direction of the wind. Crests of waves begin to topple tumble and roll over. Spray may affect visibility.   |  |
| IO                             | 48 - 55                  | Storm           | Very high waves with long overhanging crests. The resulting foam in great patches is blown in dense white streaks along the direction of the wind. On the whole, the surface of the sea takes a white appearance. The tumbling of the sea becomes heavy and shock like. Visibility affected.      |  |
| II                             | 56 - 63                  | Violent storm   | Exceptionally high waves. Small and medium sized ships might be for a time lost to view behind the waves. The sea is completely covered with long white patches of foam lying along the direction of the wind. Everywhere the edges of the wave crests are blown into froth. Visibility affected. |  |
| 12                             | 64 +                     | Hurricane       | The air is filled with foam and spray. Sea completely white with driving spray; visibility very seriously affected.   |  |

### Notes

### The Naval Prayer

O Eternal Lord God who alone spreadest out the heavens and rulest the raging of the seas; who has compassed the waters with bounds until day and night come to an end; be pleased to receive into thy almighty and most gracious protection the persons of us thy servants, and the fleet in which we serve. Preserve us from the dangers of the sea and from the violence of the enemy, that we may be a safeguard unto our most gracious sovereign lady, Queen Elizabeth, and her dominions, and a security for such as pass on the seas upon their lawful occasions; that the inhabitants of the commonwealth may in peace and quietness serve Thee our God, and that we may return safely to enjoy the blessings of the land, with the fruits of our labours and with a thankful remembrance of thy mercies to praise and glorify Thy Holy Name. Amen.

### The Royal Marines' Prayer

O Eternal Lord God, who through many generations has united and inspired the members of our Corps, grant your blessing, we beseech you, on Royal Marines serving all around the Globe. Bestow your crown of righteousness upon all our efforts and endeavours, and may our laurels be those of gallantry and honour, loyalty and courage. We ask these things in the name of him whose courage never failed, our Redeemer, Jesus Christ. Amen.
